Summer Sunday Mornings...

Nursery is open and staffed during our 9:30am Worship Service. Snack is being served in the nursery, so please alert volunteers to any allergies your child has. We ask that parents take a pager if their child may need a diaper change while in the nursery. Thank you! Please contact Deb Marshall with questions.

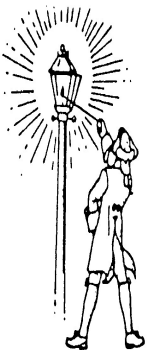

Children's Time is offered for children ages Kindergarten through 5th grade this summer, except on Communion Sundays. On Communion Sundays, Worship bags will be available for use during the service. We hope you enjoy worshipping as a family; however, please know that young children (through age 5) can be taken to the nursery on Communion Sundays if needed. All our children's ministry volunteers have been background checked.

Operation Kid to Kid: VBS Mission Project

This year, the VBS children will be raising money that will be used to purchase school supplies for children who live on Native American reservations in America. Unfortunately, children who live on reservations often do not have the supplies they need to be successful in school. Just \$1 provides school supplies for one child for the whole school year!!! We are excited to see how many children we will be able to help with this project. God continues to amaze us as he opens hearts to give generously to those in need. If you would like to give a donation, write "VBS-OK2K" in the memo line of your check. Thank you!

SPECIAL MEMBER birthdays in July and August:

Special Members are those in their 90s, and/or who are homebound, in nursing homes, or need temporary special care.

**** Please refer to the Special Members list in the back section of this Lamplighter or call the office if you need addresses to send a greeting card.**

July 2: Jane LaPree, 91: Jane joined the church in 2014 and has been active in many ministries in the church, including small groups, the knitting group, VBS, and Choir. She is especially known for her hospitality, positive outlook on life, kindness, and love for God. As of this writing, she is on comfort care at Thompson for a failing heart. We are keeping her in prayer; cards from her church family would certainly be appreciated.

July 16: Helen Secrest, 90: Helen is our newest Special Member! She joined in 1985 with her late husband, Don, and they were both in the Choir. Helen currently enjoys being active in our worship services, a small group Bible study, and the Cheerful Service Circle. In the past, she worked on many sewing projects for the youth and adult activities. Helen grew up in Indiana on a farm and moved to the Canandaigua area in 1958. She has three children, including Dianne Beaumont who is also a member, and she has grandkids and great-grandkids.

July 31: Larry Hood, 92: Larry joined the church in 2008 with his late wife, Marge, who he was married to for 69 years! Larry is a Marine Corps veteran; he was stationed in Washington, DC as part of the Presidential Guard during the Korean War. Larry worked at Kodak for 26 years as a designer engineer. He has three daughters and three grandkids. Larry has a great bass voice and has enjoyed drawing and woodworking projects over the years.

August 8: Bill Adams, 93: Bill joined the church in 1942!! He's the longest-time member of our congregation; 80 years of membership, wow!!! He was first a member at the Canandaigua American Baptist Church; etched in his memory is holding his father's hand as they watched the fire burn that church in 1942. Bill was very active in our church for many years, serving on most of the Boards and Committees. His daughters, Sue Vadney and Sandi DiCicco are longtime members of our church, and his third daughter, Cathy, lives in Indiana.

August 29: Sandy Cleason: Sandy joined the church in 1983 with her late husband, Jim; they were married 65 years! Sandy and Jim enjoyed raising their four kids, especially when they were vacationing on ski trips in Colorado and enjoying their house right on Canandaigua Lake. Sandy has a wonderful family of thirteen grandkids and four great-grandkids. Sandy's Christian faith is very strong and she keeps our church in her prayers.

summer already?!

August 13th -14th

Theme:
Belonging

It Has Been Great!

As the school year comes to an end, so does my time as Youth Director for the United Church.

I have really enjoyed my time in this role, and I pray that God will bless this ministry with someone far more capable than I.

Please be patient as we work through this transition, I want to assure you that summer plans will still be made.

I know this article looks barebones, but the Youth Committee is working hard to plan programs and events. Stay tuned for more programs and events.

God Bless,

Engaging in Ministry this Summer

Summer is a beautiful season in Canandaigua. Schedules and life patterns shift as kids get out of school and the weather warms. Travel and vacations allow families to connect in meaningful ways. At the same time, we turn our energy at The United Church toward special programs.

I will join our teens for their Work Camp trip to Maine in July. We appreciate your prayers as we connect with God and each other and serve others through work projects. Lauren Blanco and Wally Fleming will be preaching in my absence. They both do an excellent job bringing God's Word to us through preaching.

Vacation Bible School is an opportunity for our children and children who do not usually attend our church to learn about the love of Jesus. Please keep Deb, the many volunteers, and the children in your prayers. Pray that God will use this program in the lives of all involved.

Finally, a team of volunteers has worked to provide several prayer opportunities throughout the summer. This group faithfully commits time to this work, challenging you to read a short book or attend a special prayer gathering. We encourage you to pray through prayer cards as you bring these requests to God. Please consider being involved in this particular emphasis as our church discerns future direction and priorities.

While summer is a season of time with family and friends, let's be careful to give ourselves to God's work through The United Church. No one expects you to be involved in every ministry, but please consider how you might serve on some level. From attending worship, signing up as a VBS volunteer, attending a prayer gathering, or simply praying for church each day, please consider what God would have you do. Let's not "check out of church" this summer but rather engage in God's work in our community and world.

Wade

Summer 2022 REs

Renewal * Reconnection * Resilience * Restoration * Resilience

Renewal is the theme for the American Baptist World Mission Conference in the Green Lakes, WI July 4 - 9. Carlos Bonilla & Mayra Giovantti and Christine Lafferty, international missionaries with connections to The United Church, will be participants.

Goal: Inviting People to Be Disciples of Jesus Christ

Strategies: EVANGELISM, DISCIPLESHIP, THEOLOGICAL EDUCATION, Proclaiming God’s Reign of Justice, Peace, and Abundant Life and Equipping the Body of Christ to Engage in God’s Mission.

Carlos Bonilla & Mayra Giovantti have visited Canandaigua several times and hosted the United Church’s 2017 Bluefields, Nicaragua mission team. Mayra was born in Puerto Rico and Carlos in Colombia. Carlos and Mayra (aka the BGs) have been used by God in discipleship formation and training in churches in Chile, Spain, and Nicaragua. The BGs continue this work through UNIBAUTISTA with ethnic groups in Colombia, including in one of the most neglected areas of the Guajira northern region. The BGs have been long-term global servants since 2000.

Prayer Request for 2023: A mission team is forming for Nicaragua February 10-19. Join the team to install home water filters, a solar electric system in a remote village, and do medical clinic instruction. Lindsay Mills, Elmira Baptist Church, and his business partner George Denmark are leading the team. (see John Mills electric website.) Prayerfully consider joining the team that is maintaining the connection with AMOS, an American Baptist mission project. Christine Lafferty is the Global Servant providing AMMOS leadership. The clinic is in a coffee growing mountainous area. See Mike Walker, Lynn Bernard, or Don Rensberger for more information.

Christine Lafferty, a Baptist Global Servant, will lead several seminars at the July 4-9 Renewal conference. The Elmira Baptist team, Mike, Lynn, and Don have had frequent electronic communication zoom meetings with Christy and Jilmer planning the February trip. CHRISTY has been serving God and her brothers and sisters in Nicaragua since 2012 as a part of AMOS Health and Hope. AMOS uses an empowering approach, following Christ’s example of listening to and healing the most vulnerable, engaging communities as full partners by training local Health Promoters. This program provides preventive and curative health services to remote communities with no doctors. Christy facilitates short-term mission opportunities, engages churches and individuals as partners in long-term ministry, and helps create multi-media content that helps share the stories of the people being touched by AMOS’s ministry. Christy is also part of a committee in Nicaragua that is organizing a cohort of local lay leaders and pastors to participate in Palmer Theological Seminary’s Master’s in Theological Studies (MTS) Latino/a Ministries program starting in August 2022. She lives in Managua, Nicaragua, with her husband, Abel, and their son, AJ.

SUMMER 2022 - May each of us experience Renewal through prayer. Wisdom, patience, and courage for the church in all nations. Remember our congregation’s prayer cards and lift up the World Mission Conference July 4 - 9.

Adult Ministry

“The Rock and the Sand”

It was “Lego Night” on a Wednesday at Youth Club. I was the Dinner Dean, about to open our mealtime with a quick intro of our theme verses for the night, Luke 6:46-49, about building a house on rock or sand. Glancing at the passage, I noticed something I’d never seen before. As I prepared to tell the roomful of kids and adults that Jesus wants us to build on Him, the solid Rock, I realized *He doesn’t put it that way!*

I saw that Jesus’ words for us do not focus on Himself as a proper foundation. So what am I to tell the kids? Jesus’ words jumped out at me: be a person who *does* what I say to do. It’s about *living in obedience to Christ*, not simply hearing His words without following them. The story of building on rock or sand is an illustration of a person “who puts My words into practice.” The house on rock stands “because it was well built.” The emphasis is on how the person acts, more than on who Christ is.

At that moment, I felt a bit of panic. How do I *unlearn* my misunderstanding and explain it to the kids, who are about to enter the Dining Room?

Ah, Pastor Wade was there, helping to lead Youth Club as well. I’ll ask him! And so I said, “Wade, can you give me an instant interpretation?” How’s that for putting my pastor on the spot? In the Lord’s grace, He gave words to Wade for me: “In the passage, the Lord describes a person who is building a *real house*, one intended to last, and so puts it on a rock foundation. The other person is only building a *play house*, one not designed to be permanent.”

And so, the kids had Lego Night. They ran Lego relays. Dessert was shaped like Lego blocks. And they heard this lesson – “As you live your life each day, choose to *obey what Jesus says about how to live*. That kind of life will not fall down.”

Remembering the Past:

On November 20, 2022 The United Church of Canandaigua will be celebrating many milestone anniversaries. Leading up to this celebration, the Past Team (the team responsible for putting together the celebration), will be sharing with you several stories and historical exerts about our church’s past and the reasons why we have so much to celebrate this year as a church family.

Our Story #2 – Celebrating 75 Years!

Our church is called The United Church which is a union of both the Presbyterian and American Baptist denominations. In this excerpt of Our Story #2, we will share with you the history behind how these two churches became one. In last month’s June Lamplighter, we shared with you the story of how the Presbyterian Church was formed in Canandaigua, NY and that in 2022 we would be celebrating 150 years of worshiping in our current church building.

The Baptist congregation wasn’t initially part of the Presbyterian church when built back in 1872. The Baptist Society was organized in the hamlet of Centerfield in 1826 and transferred to Canandaigua in 1833. The First Baptist Church was built on South Main St. in 1835 and a number of years later in 1879 a new church was built (also on Main Street) which was much larger with trimmings of gray sandstone, a tower and a spire rising 136 feet from an arch over the driveway.

In a devastating turn of events, fire broken out in the boiler room destroying the First Baptist Church on Sunday morning December 13, 1942. The Baptist congregation was devastated by the destruction of their beautiful place of worship and temporary arrangements would be needed to find a place for them to worship. Over the next 5 years, the Baptist congregation met at several locations in Canandaigua including the Congregational Church, YMCA, Masonic Temple and Grange Hall with no permanent place to call their own. In 1947, the First Presbyterian Church of Canandaigua “promoting the spirit of Christ in our community” reached out to the Baptist congregation and offered to have the Baptist come worship at the Presbyterian Church. The offer was accepted, and a decision was made to combine worship services, with each congregation retaining their own corporate entity and the two ministers sharing the pulpit as well as other duties. The church was renovated and redecorated at that time, in order to make the Baptist feel as though the church was truly their own. Soon after, the Rev. David Ayers became pastor of the joint congregation of the Federated Churches where he remained pastor until February 1966. In 2022, we celebrate 75 years of worshiping together as brothers and sisters of Christ under two denominations joined together; the Presbyterian and American Baptist church.

Note: In 1947, the church was considered a joint union of congregations but did not adopt the Articles of Federation until 1950. Since the word “federation” implies a temporary arrangement, the congregation voted to change the name of the church to “The United Church (Presbyterian/American Baptist) on January 1, 1961 while continuing to maintain ties to both the American Baptist Convention and the United Presbyterian Church of the United States.
